**GREEN**

**Pool Blocks® All Seasons Algicide** is an extra strength, slow release solid tablet algicide suitable for fibreglass and vinyl liner pools. They are an excellent Blackspot killer and long life algicidal treatment. The combination of **Pool Blocks®** and chlorine is always better than just chlorine alone.

### Pool Drops® Liquid Algicide

**Plus** is an extra strength, long term algicide that is ideal for concrete & marblesheen pools in both summer & winter. It is an excellent treatment for all forms of wall based algae and a long life algicidal treatment. Compatible with salt water, ozone, ultraviolet and chlorine systems.

**POOL & SPA FLOCCULANT** is a Potable grade, highly charged cationic polymer for cleaning dirty, cloudy or green pool water. Use to Floc or drop all debris to the pool floor for vacuuming. Or when used at half strength to clarify water. It works across a wide pH range unlike other Flocs or Clarifiers.
