

DOLPHIN PREMIUM 2000

SMART CLEANING. POWERFUL RESULTS.

DOLPHIN PREMIUM 2000

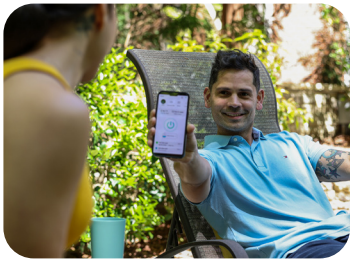

Discover an Exceptional Experience

The Dolphin Premium 2000 brings powerful, connected cleaning to your pool. With Wi-Fi control, dual active brushes, and smart navigation, it delivers consistent, thorough coverage from floor to waterline. Simple, reliable, and efficient - it's pool care made smarter.

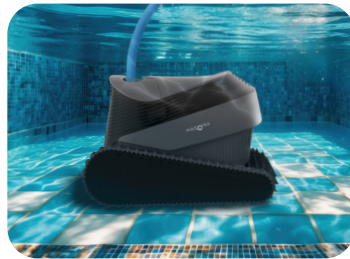

The Dolphin Difference

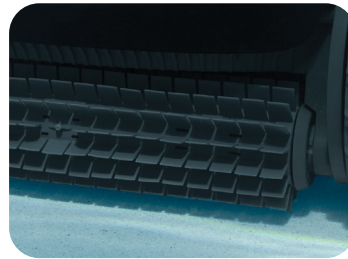

Wi-Fi Smart Control

Start, stop, or schedule cleanings right from your phone.

Full-Pool Cleaning

Cleans floors, walls, and the waterline for complete coverage.

Dual Active Brushing

Two high-speed brushes scrub away dirt and debris with ease.

Efficient Design

Engineered for strong performance with low energy use.
