

Exceptional Experience

ENCORE

Lightweight and easy-to-use,
with exceptional performance.

maytronics robotic pool cleaner

STANDARD CLASS

The Standard Class is our most economical line of cleaners providing value-driven performance. It's a great, affordable way to a clean, clear and healthy pool.

Superior pool cleaning made easy

CleverClean™ Coverage + Gyro = Precise Navigation System

Advanced scanning and navigation software ensures pool floors and walls are fully-covered.

Easy-Clean Net Canister

Easy-clean, large capacity net basket to hold debris.

Fast, Debris-Free Water Release

Easy-lift, fast water release to easily remove the robot from the pool.

Wall Climbing and Cleaning

Powerful suction allows for easy wall climbing and cleaning.

Dual-Active Brushing

Active scrubbing brush spins 2x the speed of the robot for more effective cleaning.

Energy-Saver Power Supply

Energy-efficient power supply with simple on/off operation.

PRODUCT SPECIFICATIONS

Classification	Standard
