

KRUISER™

KREEPY KRAULY®

KRUISER™

AUTOMATIC INGROUND POOL CLEANER

The sleek design of the Kreepy Krauly Kruiser cleaner now delivers even greater cleaning power. We've added performance features to make the Kruiser cleaner relentless in its pursuit of dirt and debris, with maximum pool cleaning coverage—all while keeping it affordable and sensationally dependable.

The Kruiser cleaner features a silent flapper design. This sole operational moving part creates the kinetic energy that powers the Kruiser cleaner around your pool. Elegantly simple and highly reliable, this dependable design has been proven in more than 3 million pools worldwide.

OTHER FEATURES INCLUDE:

- Sleek design delivers greater cleaning power for maximum pool coverage.
- Powerful vacuum action and extra-wide mouth capture large and small debris for spotless cleaning.
- Superior seal design and built-in bumper help the Kruiser cleaner maneuver around obstacles for uninterrupted performance and total cleaning coverage.
- Simple design for long, dependable life—silent flapper is the only moving part—no bags or compartments to empty, wheels or gears to jam or diaphragms to replace.
- No expensive booster pump to buy or operate—saving you money and energy.
- Adjustable regulator valve and FREE flow gauge let you set just the right speed for the most effective cleaning possible.
- Installs in minutes—no tools required.

KREEPY KRAULY®

KRUISER™

AUTOMATIC INGROUND POOL CLEANER

Connects to your skimmer or vacuum line fitting in minutes without tools

Built-in bumper ensures freedom of movement around steps, ladders and other obstacles

Superior seal design with curved “fingers” navigates over and around pool obstacles for total coverage and uninterrupted performance

SUPREMEY SIMPLE AND RELENTLESS IN THE PURSUIT OF DIRT AND DEBRIS.

The Krey Krauly Kruiser cleaner is the ultimate in carefree operation. It comes fully assembled. Just add the seal and connect the hoses. No tools required and you're on "Kruise" control in minutes. It even comes with a free flow gauge and adjustable speed control to ensure optimum performance.

Also, consider these other note-worthy features:

- No bags or compartments to empty or replace...dirt and debris go right to your filtration equipment...where it belongs.
- No wheels or gears to jam or diaphragms to replace.
- No expensive booster pump to buy and operate...it uses your pool's existing filtration system.
- All parts are UV stable and chemical resistant for years of dependable service.
- Sleek, compact design increases maneuverability for best cleaning performance.
- Backed by the largest pool equipment company in the world. Have a question? Contact our toll-free customer helpline. Live technical experts are there to help in the U.S. and Canada.
